It has been brought to our attention that you have requested to be put on the "WILL CALL" delivery list. Please read the following terms carefully:

*As a "WILL CALL" customer it is YOUR RESPONSIBILITY to monitor the tanks and call the office when your tanks reach between 25% - 30%.

*The truck will deliver you fuel when we are IN YOUR AREA, NOT the day that you call. Depending on the temperature, this may be up to several weeks.

* If you run out of fuel and require an emergency fill, a rerouting charge of \$125.00 will be applied to your account.

* There will NOT be a delivery after normal business hours.

* All customers on the "WILL CALL" list will not be recognized as a main source of heat.
